

**Ready-made
Signage**

**White-labeled
Web App**

**Merchant on Record.
Get real-time credits!**

**Post-pay Retail
Validations**

 **Just a tap to pay for parking**

Tap to Park is one of the easiest and fastest ways to park applessly. Parkers can tap their card at the gates to enter and exit - payment for their session will be deducted automatically from the tapped card! No downloads, no scanning!

Tap to enter, tap to exit!

New revenue from convenience fees

Set up retail validations

Simple phone number signup

Powerful centralized admin tool

Integrated with your favorite enforcement tools

Display apps to guide parkers every step of the way
