Easy Parking Validations

Tap into Ticketless, App-less Parking

With Tap & Park, parkers tap their card at entry and exit to open the gates. The tapped card is charged automatically with the rates displayed on the kiosk - no cash, no downloads, no tickets!

**Tap to Enter
Tap to Exit!**

**New revenue from
convenience fees**

**Easy parking
validations**

**Sign up with just a
phone number**

**Powerful admin tools for
remote management**

**Integrates with your
enforcement tools**

**Display software for kiosks to
guide your parkers**
