

Real-time parking performance report

Detailed analytics with custom reports

Track trends with critical alerts

Automated reports from all your locations

## Make data-driven decisions with GMP IQ

GMP IQ organizes your data into infographic reports that reveal parking trends across your portfolio. Get important insights into your parkers' behavior to create rate structures, permits and offers that are more profitable. Have full ownership of your data.

Revenue and session reports for each location

Limits and alerts to follow trends

Manage all your data in one place

Customized access to various dashboards

Custom reports on demand

Encrypted data infrastructure

Location	App User Sessions	Revenue	Web User Sessions	Revenue	Row Total Sessions	Revenue
550 Mary Esther	84	\$243.00	1		85	\$243.00
