

**Ready-made
Signage**

**White-label
Display Software**

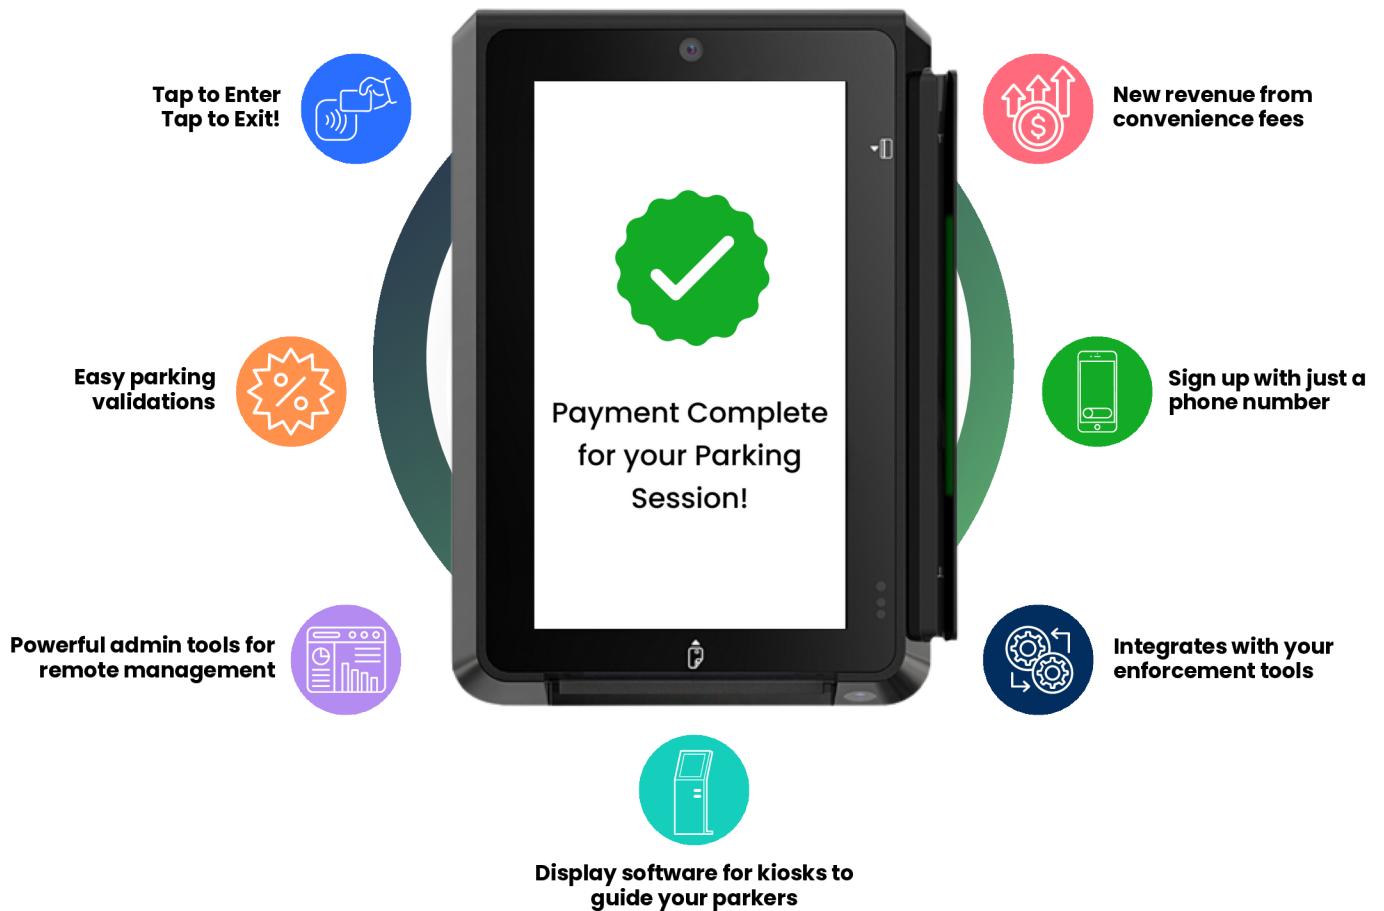

**Merchant on Record.
Get real-time credits**

**Easy Parking
Validations**

Tap into Ticketless, App-less Parking

With Tap & Park, parkers tap their card at entry and exit to open the gates. The tapped card is charged automatically with the rates displayed on the kiosk - no cash, no downloads, no tickets!

- Tap to Enter
Tap to Exit!** 
- New revenue from
convenience fees** 
- Easy parking
validations** 
- Sign up with just a
phone number** 
- Powerful admin tools for
remote management** 
- Integrates with your
enforcement tools** 
- Display software for kiosks to
guide your parkers**
